SICK CHILD POLICIES

Foundation Learning Academy is a well childcare facility. This means that if your child is not feeling well, for any reason, you will need to find an alternate care. Please do not bring your child if he/she has a contagious illness or exhibits any of the following symptoms:

- Fever of 101.0 degrees or above
- Vomiting in excess of typical infant spit ups
- Diarrhea
- Conjunctivitis (“pink eye”)
- Consistent complaints of ear or stomach pain
- Bleeding other than minor cuts and scrapes
- Excessive greenish nasal discharge, indicating possible infection
- Head lice
- Other: _____

In general, if your child is too sick to go outside and play, then your child is too sick to attend childcare. If your child becomes ill during daycare hours, then you will be phoned and asked to pick your child up immediately.

If your child has a common cold (slight cough, sneezing, clear runny nose and/or a temperature below 101.0 degrees) your child may attend daycare. However, if your child reaches a point when he/she requires constant attention, will not play, cries continuously, whines and wants to be held constantly, then your child will need to stay home.

Any child requiring prescription medication will need to be kept at home for a period of at least 24 hours until no longer contagious, unless accompanied by a signed note from the child’s medical practitioner.

Please dispense all medications at home whenever possible. For times when this is not possible, a Medicine Consent Form must be filled out in order for me to dispense any medications. All prescription and over-the-counter medications must be in their original container(s), and prescriptions must display the pharmacist’s label with the doctor’s name. If you have any questions, please feel free to discuss them with me at any time.

Signatures below indicate acknowledgment or receipt of this form and agreement to adhere to these policies.
